

## **Wendell Schumm joins W-S Feed & Supplies Ltd.**

January 19, 2021

We are pleased to announce that Wendell Schumm has joined W-S Feed & Supplies Ltd. as Business Development Manager. Wendell grew up on a dairy farm and brings 25 years of experience in the Ontario feed industry. Wendell has worked with progressive dairy and beef farmers in Ontario and the US and is a passionate supporter of family farms and the agriculture industry. Building on a strong foundation at W-S Feed & Supplies Ltd. and our developing partnership with Parion Animal Nutrition, Wendell will explore new opportunities for both businesses and will add value for our customers. We are excited for the experience and knowledge that Wendell brings to our team.
